

**Potluck
Friday July 5th, 6-8pm**

We love the food and we want more! Let's get together for another evening of team spirit, friendship, and great food.

This Friday we will have another Potluck - **Our Family's Favorite.**

- Bring an index card with your family's last name to place near your dish. Many people are curious to learn how to prepare certain dishes and names can help them find you.
- Please make a note if there are nuts in your dish. One of our swimmers has a nut allergy.
- Bring a big main dish AND a small fruit/dessert. Each main dish should serve a minimum of 8-10 people. Please remember we are a big team with many hungry athletes.
 - ❖ This week the adults will be served first followed by swimmers. We want to leave enough food for our youngsters so they can swim fast.
 - ❖ Please slice/cut/divide your food before serving it so it can be easily shared. Big portions of food may only satisfy a dozen while leaving many others no chance to taste your wonderful food.
 - ❖ Please Bring Your OWN Drinks!
